

**Robert Devriendt (1955)**

**Nightmare at the museum, 2012**

5 oil on canvas, each signed  
1000 x 650 x 600 mm.

Signed and dated on the back of the museum

**Artist description:**

Robert Devriendt makes small paintings that are shown in series. The miniature scenes do not appear to have any connection with one another, but the viewer's association confer meaning on the sequences of fragmentary representations of people, animals, landscapes and spaces. The resulting narrative often has a sexual and violent undertone.
